shadows behind head

shadows across face

### Style and lighting

#### The photographs must:

- be colour neutral
- show your eyes open and clearly visible—no hair across your eyes
- show you facing square on to the camera, not looking over one shoulder (portrait style) or tilted, and showing both edges of your face clearly
- be taken with a plain light-coloured background
- be taken with uniform lighting and not show shadows or flash reflections on your face and no red eye
