

URGENT MEASURES FOR THE CONTAINMENT OF COVID-19

Valid all over the country from March 10 to April 3, 2020

- 1 Avoid any movement** except for the following:
 - proven work needs;
 - other proven needs;
 - health reasons;
 - return home, or to permanent or temporary residence.
- 2 With symptoms of respiratory infection and more than 37.5 degrees of temperature**, stay home and contact your doctor.
- 3 Absolute ban** on mobility for people in quarantine or those ones who have been found positive to the virus.
- 4 Any form of gathering**, both in public places or in places open to the public, is prohibited.
- 5 Restaurants and bars** can open from 6:00 am to 6:00 pm. The restaurant/bar manager must guarantee that customers are at a safety distance of at least one meter.
- 6 Other commercial activities** are permitted, once it is provided that the safety distance of at least 1 meter is guaranteed by the commercial activity manager.
Medium **and large sales facilities**, as well as stores located in malls and in markets, must stay closed in pre-holiday and public holidays.
Pharmacies, parapharmacies and food shops remain open, providing the safety distance of at least 1 meter.
- 7 Gyms, sports centres, swimming pools, swimming centres, wellness or spa centres, cultural, social or recreational centres** are suspended. Ski facilities are closed.
- 8 Cultural, recreational, sport, religious and trade-fair events in public or private venues**, are suspended, even if taking place in closed spaces open to the public.

- 9 Museums and any other culture-related venues are closed**, as well as **cinemas, theatres, pubs, dance schools, games rooms, betting rooms and bingo halls, discos** and similar places.
- 10 Schools of any type and level are closed**. Online classes are allowed.
- 11 Both religious and civil ceremonies are suspended, including funerals**. Worship places can stay open with the obligation of the safety distance of at least 1 meter.
- 12 Sport events and competitions** of any level and discipline, in public or private places, are suspended, except for those ones organized by international sport entities without public. Sport facilities can be used only for athletes' training sessions to allow their participation in the Olympic Games or national and international events without public.
- 13 Public and private competition procedures are suspended**, except for health professionals. Evaluation of candidates on a curricular basis or on remote are allowed.
